

## DECADES OF CLEAN

For over 30 years We've been committed to developing safer, more innovative, and higher quality products to the car wash market. We blend our formulas in-house and offer our customers the best car wash solutions available.

## SATISFACTION GUARANTEED

We're so confident that our products will produce the cleanest cars for your customers that we provide a money back guarantee. We pride ourselves on developing innovative and effective products free of detrimental ingredients. And, with our nationwide distribution network, we can bring CleanTouch to you no matter where you are.

## NEXT LEVEL MARKETING

We partner with TSS to develop semi-permanent & permanent site marketing programs designed to grow your revenue and customer loyalty. Elevate your brand with our holistic **CleanTouch FX** program that takes your customers through a completely immersive experience.

# SOLUTIONS FOR SUCCESS!

## CLEANFILL SYSTEM

Our CleanFill Chemical Management System allows for the consistent application of chemicals. This no-hassle refill system allows for easy installation and takes up less than 2 square feet of floor space per container.

## CLEANTOUCH DIRECT

Control your supply chain with our CleanTouch Direct program. We provide you with the training and support you need to be successful. You will receive special pricing discounts and loyalty perks with our NCS family of brands.

## COMPLETE PROGRAM

We have the equipment and products you need to create a chemical program that works for you from top to bottom. Do you need auto detailing products? We've got those too with top of the line products from Car Craft.
