### **National Carwash Solutions enters into a Partnership Agreement with Auto Clean Inc.**

Grimes, Iowa (January 22, 2018) – NCS is proud to announce that it has entered into a strategic partnership agreement with Auto Clean Inc. a leading car wash distributor in Houston, Texas. Auto Clean has a long-standing history of providing best-in-class car wash consulting, design, construction, systems, fluids and start up services to their car wash customers.

Auto Clean’s alignment with NCS is an exciting opportunity to expand their services and offer substantial benefits to existing and new customers. Auto Clean has been a leading car wash distributor for tunnels, in-bay automatics, self-serve car washes, cleaning solutions and car wash maintenance services for over 42 years. With this strategic partnership, Auto Clean will continue to provide sales, service and support for the MacNeil brand while also adding Ryko systems and the full product line of CleanTouch cleaning solutions and maintenance services.

“We are very pleased to partner with Auto Clean, a leading car wash distributor with an equally long-term perspective, as well as a deep commitment to their customers,” said Michael Gillen, CEO of National Car Wash Solutions. “We’re joining with venerated owners, Ray Coselli and Dan Isely, and their tremendous success story and reputation they’ve built for Auto Clean over the last 40 years.”

“We were convinced that NCS is the ideal partner for us,” said Ray Coselli, co-owner of Auto Clean. “The MacNeil, Ryko and CleanTouch brands are the best in the car wash industry. We couldn’t be more proud to become part of the NCS family.” Dan Isely echoed the sentiment stating, “Both of our companies share a passion for superior systems and services, as well as the aspiration to make our customers profitable through superior service. Together, we can position our businesses more strategically to truly benefit our customers and business partners.”
