## **National Carwash Solutions enters into a Partnership Agreement with Hi-Performance Wash Systems**

**Grimes, Iowa (December 21, 2017)** – NCS is pleased to announce it has entered into a strategic partnership with Hi-Performance Wash Systems (HPWS). HPWS is the leading Distributor in the Rocky Mountain Region with a proven track record of profitable growth and exceptional customer service.

HPWS is a market leader in developing custom conveyORIZED tunnels, in-bay automatic and self-service wash systems to the investor market. HPWS is a full service distributor offering site consultation, construction, systems, cleaning fluids, parts and maintenance services. HPWS will continue to represent existing suppliers and add to its current portfolio NCS products and services, including MacNeil and Ryko car wash systems, CleanTouch Service and CleanTouch cleaning fluids. This exciting new partnership creates added capabilities, energy and momentum enabling NCS to further grow our ability to support a wide range of car wash operators in the Rocky Mountain Region.

“The HPWS team’s long-standing customer relationships and car wash expertise date back to 1958. During its 60 year history, this second generation family-run organization has provided executional excellence and unparalleled services in systems, fluids and service to car wash operators. Rich and Shane Wells, and their entire organization, are a phenomenal addition to National Carwash Solutions.” said Michael Gillen, CEO of NCS. “We continue to seek strategic partnerships that expand our car wash system, system maintenance services, and cleaning fluids sales. HPWS’s success in the Rocky Mountain Region is in alignment with our culture and objectives; we’re thrilled to have Hi-Performance Wash Systems join the NCS family.”

“This strategic partnership allows us to offer some of the best brands, products and services in the car wash industry to our existing and new customers”, said Rich Wells of Hi-Performance Wash Systems. “The MacNeil, Ryko and Cleantouch brands are market leaders in the car wash industry. This partnership provides greater long-term opportunities for our company, our employees and to car wash operators. We’re very excited to join the NCS family.” said Shane Wells, of Hi-Performance Wash Systems.

###

**About National Carwash Solutions**

National Carwash Solutions (NCS) is the market leading service and systems provider to the North American car wash industry. NCS has established the only direct, end-to-end customer service and support network with over 250 service technicians nationwide. NCS offers a complete line of CleanTouch cleaning fluid solutions, RO & Reclaim systems and accessories. NCS also offers the widest selection of car wash systems, accessories and parts under the Ryko and MacNeil brands. Founded in 1973, NCS is headquartered in Grimes, Iowa, and employs approximately 500 people across North America.
