

National Carwash Solutions Announces New CleanTouch Website

Grimes, Iowa – (April 26, 2019) – [National Carwash Solutions](http://NationalCarwashSolutions.com) (NCS), the nation’s premier manufacturer of commercial car wash systems, cleaning solutions and maintenance services, is pleased to announce the launch of a brand new website with e-commerce capabilities available at www.CleanTouch.com. The CleanTouch brand is the fastest growing car wash chemistry brand in the nation more than doubling in revenues and gallons sold in the last 36 months.

The new CleanTouch website highlights our entire product line’s features, new product releases, promotions, Safety Data Sheets (SDS) and an e-commerce platform for ordering products. Visitors will be able to learn more about our site marketing solutions, incorporating the creativity and designs of TSS, as well as our CleanFill inventory system, support services, industry trends, Blog and Video Gallery. The website also showcases CleanTouch FX, our exciting new display arch and customized marketing program that enhances your current tunnel car wash experience to create a WOW factor that will drive higher customer loyalty and increased ticket averages.

The new CleanTouch website is user-friendly and easy to navigate to find exactly what they’re looking for. Our contact form will allow users to be connected with a CleanTouch representative in their area for all chemical and marketing needs.

Check out these and other features when you visit us at www.CleanTouch.com
