RADIUS

# PROFIT DRIVING ADD-ONS

Cleans 20% Faster with WashBuilder Technology

## COLORWAVE

An add-on that pays for itself time and time again. This menu builder delivers a thick foam curtain that will visually set your wash apart from the competition and raise your average ticket in tighter bay spaces.

## RAINSHIELD

Protect your customer's vehicle body and glass surfaces from corrosives, oxidation and UV rays while enhancing the look of the vehicle.

## TRI-FOAM

Wow your customers with this luscious application of foam that immerses their vehicle to give them a sparkling exterior after breaking down all the dirt on the vehicle's surface.

Radius uses IMAXX advanced concepts and spray-pattern designs created to exceed wash-quality expectations, while delivering the superior quality and dependability you expect from a Ryko machine.

## WHEEL CLEANING

The oscillating Rocker Wheel Blasters and Under-Chassis Sprayer provide two choices of extra cleaning power where vehicles need it most.

## HIGH-PRESSURE

Reduce water consumption by upgrading to the High-Pressure Radius, with new and improved pump stand.

## OTHER ADD-ONS AND ACCESSORIES:

- Dryers: On-Board and Off-Board Options
- Reverse Osmosis
- Bay Lighting
- Off-Board Arches
- Tire Shine
- Water Reclamation System
- Marketing Packages
